Summary

Lawyer Xiong Guanqun served as an independent lawyer in Hansheng Wuxi Branch. Since his practice, he has accumulated rich experience in handling cases. He is good at dealing with perennial legal counsel, securities and capital market, labor disputes, traffic accidents, economic contracts, civil and criminal disputes, non-litigation business and other fields. In my future professional career, I will adhere to the facts as the basis and the law as the criterion, safeguard the legitimate interests of the parties, and work hard for socialist fairness and justice. In 2022, I was awarded the individual Excellent Member of Wuxi Lawyers Association.

Practice performance:

- Since its practice, it has issued professional legal advice on private bank bonds for clients in Jiangsu Province and local state-owned enterprises outside the province; professional legal advice in MTN、SCP and CP; and professional legal advice on ordinary corporate bonds and innovative corporate bonds in the Shanghai Stock Exchange. Due diligence in the bond industry in the non-litigation legal field has rich theoretical practical experience.
Litigation business includes but is not limited to private lending disputes, property

division disputes, lease contract disputes, sales contract disputes, etc.
In the process of practice, I have been highly recognized and affirmed by customers,
and provide customers with quality legal professional services with my own professional
knowledge.
